Unity Doors Limited		Corrective Action Form		Date: 07/01/2021			
Site: Newent	Area: Factory / Offices	Activity: Coronavirus Pandemic		Sheet Ref: COVID-19 Page 2			
Hazard	Concern	Action Required	Priority	Responsib'y	Target Date	Actual Date	Ref No
Employees working in restricted spaces on factory shop floor / offices	Potential to spread COVID-19 amongst employees through general activities	All staff meetings on site to be minimised in occurrence and attendance. With meetings of more than 2 people, face masks / visors must be worn and held in the board room (with ventilation) or outside. Meeting duration must also be minimised to reduce risk of spread. Where possible, use Virtual meetings with colleagues on site.	Immediate	Oliver Townsend	07/01/2021	07/01/2021	1
Visitors / customers coming on site	Potential to spread COVID-19 from 3 rd party	Stop any unnecessary visits to site by suppliers, customers, candidates. Where possible, hold virtual meetings. If visitors attend site, reinforce need for Hands, Face and Space and limit movement around site and duration on site.	Immediate	Oliver Townsend	07/01/2021	07/01/2021	7
Employee coming into work showing symptoms of COVID-19	Potential to spread COVID-19 amongst employees through general activities	Firm approach to any staff with symptoms or self-isolation due to contact with positive test. Staff will be asked to leave site or not come to site until test has been completed and negative result proven.	Immediate	Oliver Townsend	07/01/2021	07/01/2021	6
